COMEDY BY STEVE MERETZKY

STANDARD LEVEL

Thrust into every LEATHER GODDESSES OF PHOBOS package: your LEATHER GODDESSES OF PHOBOS disk; a thrilling 3-D issue of THE ADVENTURES OF LANE MASTODON; genuine 3-D glasses; a map of the catacombs; and a scratch 'n' sniff card.

And now... the next exciting episode of humanoids in space!

How did you, a regular at Joe's Bar in Upper Sandusky, Ohio, end up on a Martian moon? Can you prevent the hideous space creature from abducting the naked heiress? Why does scratch 'n' sniff #2 smell so familiar? How many uses can you find for a rubber hose? Is it easy to remove a brass bikini? Is it hard to outsmart a robotoid sumo wrestler? Can you stop the Leather Goddesses' fiendish plan to turn all Earthlings into sex slaves?

Learn the answers to these burning questions in LEATHER GODDESSES OF PHOBOS, Infocom's racy spoof of 1930's pulp fiction. But first, a word from our sponsor:

Why put up with only one playing mode, when you can have *three!* That's right, *three!* So whether your tastes run to Tame, Suggestive, or Lewd, LEATHER GODDESSES OF PHOBOS can satisfy you!

GET INSIDE A STORY!
GET ONE FROM INFOCOM.
It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover yourself at the center of a world jam-packed with surprising twists, unique characters, and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill:

Introductory: Best introduction to interactive fiction, with some built-in hints. Written for everyone from age 9 up.

Standard: This is Infocom's most popular level of interactive fiction, enjoyed by both first-time and experienced players.

Advanced: A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.

Expert: The ultimate challenge in interactive fiction.

Then find out what it's like to get inside a story. Get one from Infocom. Because with Infocom's interactive fiction, there's room for you on every disk.
